

PORTLAND WHOLESALE LUMBER ASSOCIATION &
THE DEPARTMENT OF WOOD SCIENCE AND ENGINEERING
PRESENTS

2017 Innovation Summit

Please join us for a morning of learning at the OSU Department of Wood Science and Engineering. We'll learn state of the art research in forest products currently being conducted by OSU faculty and graduate students. Additionally we will tour the lab facilities and see a testing demonstration. A more detailed schedule will be provided upon RSVP.

In the interest of fostering future generations of Pacific Northwest lumber professionals, the PWLA will be donating \$500 to the Oregon Wood Innovation Center.

Coffee and light snacks will be available in the morning, followed by lunch at American Dream Pizza Rooftop. Pizza and soda are included with your registration fee.

\$25 per person

The deadline for registration is Friday, September 22. Please complete the following registration form and mail to:
