# 2021 Logs to Lumber Tour

Join the PWLA for our annual Logs to Lumber Tour of two facilities.

## 1. Stimson Lumber

The 1933 built mill complex uses Douglas-Fir and Hemlock logs to produce 6' to 10' premium studs and uses by-products in its wet-process hardboard mill to produce high-density panels.

## 2. Elk Creek Forest Products

A full-service distribution and re-manufacturing company located in the heart of Douglas-Fir country is stocked with over 15 million board feet of premium lumber and timbers.

When: Friday June 4, 2021, 8:30 a.m.
